Important dates for October:

- 12— Virtual Title I meeting, Open House
- 21— Early Release
- 22— End of first 9 weeks
- 23— No school, Teacher work day

Last school year students who were enrolled in Algebra were unable to take the Algebra 1 EOC during the Spring of 2020 but are still required to meet the mathematics assessment graduation requirement prior to his/her graduation. Students may meet this requirement with a score of level 3 or higher. The Algebra testing window will be October 6-7. This test will be on campus for Estudents. For information regarding test session lengths and how long parents can expect students to test, please contact Peggie Sullivan at 863-701-1066 or Peggie.Sullivan@polk-fl.net. Health and safety protocols will include temperature checks, masks, and social distancing.
